ABOUT US

Inspired by a संस्कृत Words

Founded by **Anand Padhya** a leading Market Development expert with vast experience in Financial Markets and **Krunal Goda** an Expert of Policy Advocacy, Compliance, Risk Management. **AnantTattva is built on the vision of transforming waste into value.** We transform liabilities into assets for leading stakeholders, including brands, by helping them fulfill compliances and obligations under environmental policies while effectively managing their supply chains with reliable partners.

AnantTattva, with its decades of experience, one-to-one connections, and a geographically **widespread network of 20,000 stakeholders** globally, provides professional advisory and solutions on environmental policies through its Board of Directors and Advisors.

The organization believes that maintaining environmental health through sustainability and achieving harmony via a circular economy is the only path to addressing climate change, **Guided by the SDGs**, the organization advances a circular economy to address climate change while actively **contributing to the national vision of Swachh Bharat Abhiyan through sustainable, compliance-driven solutions.**
